Diversity and Inclusion in DRI: A Statement of Principle

DRI is the largest international membership organization of attorneys defending the interests of
business and individuals in civil litigation.

Diversity is a core value at DRI. Indeed, diversity, which includes sexual orientation, is fundamental to
the success of the organization, and we seek out and embrace the innumerable benefits and contributions that the perspectives,
backgrounds, cultures, and life experiences a diverse membership provides.

Inclusiveness is the chief means to increase the diversity of DRI's membership and leadership positions. DRI's members and
potential leaders are often also members and leaders of other defense organizations. Accordingly, DRI encourages all national,
state, and local defense organizations to promote diversity and inclusion in their membership and leadership.
