Designed specifically for non-bankruptcy attorneys, this program will walk you through exactly what you need to know when your client is also a bankruptcy debtor. We will discuss how to properly handle your client's claim as an asset of the bankruptcy estate, what to file in the bankruptcy court, why you should run a PACER search before disbursing any settlement funds, and what happens to you and your fee if you don't do these things.

OUR PROMISE

ALAP is not a disciplinary program. It is a voluntary and completely confidential program that offers support and guidance tailored to address whatever challenges may exist. There is no risk to your law license by contacting ALAP, as we do not report to the Office of General Counsel (OGC). ALAP is here to help before a bar complaint is filed and to provide assistance after a complaint has been filed.

DO YOU HAVE A LEGAL PROBLEM?

WE HAVE INFORMATION!

What began as a vision to address Alabama's rural access-to-justice challenges has grown into Harvesters of Hope, a 501(c)(3) nonprofit committed to growing the legal profession in Alabama's small towns and underserved communities. Our mission is to improve access to justice, strengthen the administration of the courts, support economic development, and help revitalize Alabama's small towns.
