**BIRMINGHAM, Ala. (September 3, 2010)** – Bradley Arant Boulton Cummings LLP is pleased to announce the firm has been ranked as one of the most recommended litigation firms in the world by in-house counsel at Fortune 1000 companies. In the *BTI Litigation Outlook* for 2011, Bradley Arant is one of 24 litigation firms most recommended by large corporate clients. To compile the ranking, BTI directly interviewed more than 300 Fortune 1000 general counsel, practice leaders and in-house litigation counsel and asked them to single out, by name, the best law firms for litigation.

“This is a tremendous honor and we are happy to see our work recognized in this way,” said firm Chairman Beau Grenier. “There is no greater measure of a firm than the respect of its clients, and it is gratifying to see this reflected in the BTI survey.”

BTI’s research for *Litigation Outlook 2011* included interviews with the world’s top-spending and most coveted clients, ranging from up-and-coming middle market biotechs to Fortune 50 manufacturing behemoths. Other industries included banking, chemicals, consumer goods, energy, financial services, high tech, insurance, investment, banking, pharmaceuticals, professional services, retail, telecom, transportation, and wholesale trade. Companies included in the survey had annual revenues from \$290 million to \$360 billion, with an average legal budget of \$21.5 million.
