

“No act of kindness, no matter
how small, is ever wasted.”
— Aesop

At Bradley, we are committed to and have a long history of supporting charitable, educational, and civic organizations that serve the communities in which we live and work. In 2019 alone, we contributed over \$1 million, and our attorneys and staff volunteered over 15,400 hours to organizations serving the community and the underprivileged in the areas of education, healthcare, medical research, poverty relief, homelessness, and the arts.

Established in 2010, the Bradley Arant Boult Cummings Charitable Foundation coordinates the firm's charitable giving and encourages engagement by our attorneys, our staff, and our clients in the charitable and civic organizations that we are proud to support. We are pleased to provide the following 2019 Foundation Annual Report, which provides a summary of the many ways in which our firm has endeavored to support charitable organizations during the past year.
